

Score Pilot Locker Room Display

SPORT IN THE BOX / SCORE PILOT

Show game and pause time in every locker room.

The ScorePilot Locker Room Display is a 15.6" PoE+ display that shows live game and pause time in locker rooms and other back-of-house areas — coach offices, medical rooms, referee rooms, press areas, tunnels and warm-up zones — with just a network cable.

15.6" Display

PoE+ powered

Channels 1–20

MULTI-HALL VENUES Each ScorePilot channel (1–20) maps to one hall — set each display to follow its hall.

01 KEY FEATURES

⚡ Live scoreboard data

Game/pause clock, period, score and team info pushed in real time from ScorePilot.

🔌 Plug and play

Ships with the factory default Locker Room template, listening on ScorePilot channel 1. Power on and it just runs.

☁ Custom fallback

Choose what shows when ScorePilot is disconnected or turned off — turn off the screen, show the time of day, or show signage player.

💻 Multi-display capable

Run as many displays as you need on the same network.

🔌 Single-cable install

PoE+ delivers power and data over one Ethernet run.

📄 Multiple templates

Switch between Locker Room, full Scoreboard and simple Scoreboard layouts.

02 SAMPLE SCREENS · 3 FACTORY TEMPLATES

Locker Room

Large clock with mini scoreboard at bottom.

Full Scoreboard

Complete scoreboard adapted to the active sport.

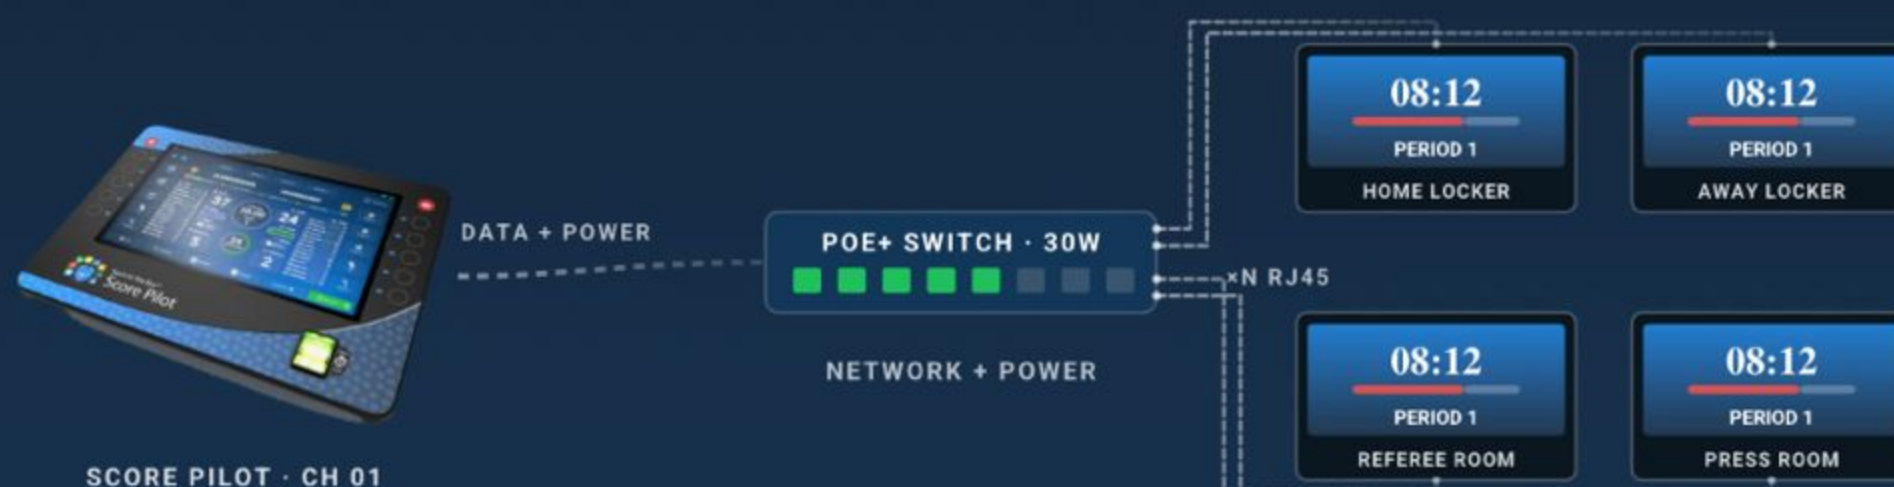

Simple Scoreboard

Clean clock + score, minimal layout.

Score Pilot Locker Room Display

PRODUCT

03 TYPICAL SETUP · ONE SYSTEM, MANY ROOMS

04 ADMINISTRATION · ON-DEVICE + WEB

On-screen admin

PIN-protected panel on the device.

- Change the active template
- Change ScorePilot channel (1–20)

Web admin panel

Browse to the device IP from any networked computer.

- Customise & upload templates
- Timezone & date/time settings
